# WORKWEAR

**TESTED UNDER EXTREME CONDITIONS. JUST LIKE YOU.**

Valtra work clothes are well known for their good quality, versatility, and fit. They are functional, stylish and made with materials that can withstand heavy use. Whether for summer or winter work, Valtra work clothes never let you down.

## OVERALLS

£ 66.20

Several multipurpose pockets, including a chest pocket with zip, side pockets, pen pocket and a large cargo pocket. Front zip protected by a press-stud storm flap. Easy to put on with zip fasteners in the legs. The overalls feature belt loops and a hammer strap. Press studs in the cuffs. Elasticated at the back. Reflective details provide added visibility in the dark and increase safety. Wash at 60 degrees. Lightweight but highly durable material, 65 % polyester, 35 % cotton.

XXL	V42805006
XXXL	V42805007
XXXXL	V42805008

The traditional overalls are quick and easy to put on when you need protection against dust and dirt. Tested during actual work, just like our other workwear. Our workwear includes plenty of pockets, functional details and reinforced sections to ensure that the garments remain good conditions, even in areas more prone to wear. In addition, they are well-fitted and comfortable to wear. Valtra's internationally praised, test-winning overalls are available in various options suitable for kids, women and men.

Front flap protects zip from dirt and from wear and tear

Phone pocket within hearing distance  
Breast pocket with zip  
Convenient pen pocket

Front pockets with access to your own pockets if you wear the overalls over your own trousers

Belt loops: belt ensures that the waist and crutch stay in place

Elastic waistband for improved fit keeps waist in place and makes the overalls suitable for different body types

Short leg zips make it easy to get boots on or put the overalls on while wearing shoes

## KIDS' SUMMER OVERALLS

£ 60.10

Several multipurpose pockets, including chest pockets with zips, pen pockets and a cargo pocket with press-studs. Front zip protected by a press-stud storm flap. Easy to put on with zip fasteners in the legs. Elasticated cuffs. Waist elasticated at the back. White tractor print on the back. Reflective details provide added visibility in the dark and increase safety. Wash at 60 degrees. Lightweight but highly durable material, 65 % polyester, 35 % cotton.

V42809000

# SAFETY WORKWEAR

## VISIBILITY INCREASES SAFETY AT WORK

Valtra's safety workwear comprises standard safety clothing you can use to ensure your visibility when working with heavy machinery or in a low light working environment. Highly visible clothing makes it easier for others to notice you in dark and low light conditions. The fluorescent orange Hi-Viz color of Valtra safety clothing reflects light efficiently back towards the source. High-visibility clothing compliant with the EN ISO 20471:2013 standard is intended for situations where it is extremely important to remain visible and stand out, such as during various working duties. These garments remain highly visible in all light conditions – in the daylight, dusk or dark.

## T-SHIRT

£ 45.30

EN ISO 20471:2013 class 3. Long-sleeve crew neck T-shirt with a ribbed collar. 50 mm wide printed reflective bands. A printed Valtra logo on the chest and a Your Working Machine print design on the neck at the back.

## HI-VIZ WORK TROUSERS

£ 86.20

EN ISO 20471:2013 class 1. Visibility is ensured by the combination of sturdy, stitched reflectors and reflective fabric. The trousers have large cargo pockets secured with Velcro and pockets on the front and the back. The elasticated waist ensures good fit in a range of working positions. The design allows for a 4-cm extension on the legs and the knees are darted to allow for better mobility. The lightweight, durable and breathable four-way stretch material at the top ensures your comfort in various working positions in warm conditions. A Valtra logo print on the cargo pocket. The trousers can be combined with a Hi-Viz work jacket, for example, to provide class 3 visibility, which is the highest class specified in the standard. Material: black: superstretch 90 % PA 10 % EL, 240 g/m<sup>2</sup> dark grey: mechanical stretch, 100 % PES, 200g/ m<sup>2</sup>, orange: stretch 76 % polyester 20 % cotton 4 % elastane, 245 g/m<sup>2</sup>.

## HI-VIZ JACKET

£ 126.20

EN ISO 20471:2013 class 3. Class 3 visibility, the highest class specified in the standard, is provided by a combination of printed reflectors and the fluorescent fabric of the jacket. The jacket has chest and front pockets with zips and Velcro-adjusted hem and cuffs. Open breast pocket on the inside. The jacket has a high collar and a storm flap under the zip. Valtra logo print on the back and the chest. The stretchy and durable material repels water and dirt. Orange: stretch 76 % polyester 20 % cotton 4 % elastane, 245 g/m<sup>2</sup>, black: superstretch 90 % polyamide 10 % elastane, 240 g/m<sup>2</sup>.

- S V42809202
- M V42809203
- L V42809204
- XL V42809205
- XXL V42809206
- XXXL V42809207

Detachable hood secured with press studs  
The string and Velcro straps allow you to adjust the fit.

The collar is lined with soft, warm material.

The laminated shell is made from breathable, water-resistant and windproof ripstop material. The warm, lightweight Thinsulate wadding works perfectly with the shell material in cold conditions.

D-ring for attaching the ID card holder available separately

Printed Valtra logo on the chest and the back.

Chest pockets with zips are covered with flaps.

The storm flap at the front protects against the wind and keeps the zip clean. The storm flap is secured with Velcro.

Elbow darts improve the shape of the sleeves.

Inside breast pocket with zip and an internal tablet pocket

Front pockets with zips are covered with flaps.

The modern, printed reflectors ensure visibility together with the Hi-Viz material.

The jacket meets the class 3 requirements of the EN ISO 20471 standard for visibility with reflectors, fluorescent material, and design compliant with the standard.

Convenient Velcro strap adjustment on the hem at the back.

Adjustable Velcro strap on the cuffs. Soft ribbing inside the cuff to protect your wrists against snow and cold air.

It is important to ensure the cleanliness of high-visibility clothing by, for example washing or replacing the garments sufficiently often, as dirt reduces the visibility of the materials. You should replace your garments if a reflector or the color of the material has clearly faded or dirt does not come off in the wash. You can compare the color of your Hi-Viz clothing with new garments, for example. It is advisable to replace your garments if a reflector or the fabric is noticeably worn out or otherwise damaged. High-visibility clothing should be washed according to the instructions, together with similar colors.

## HI-VIZ WINTER JACKET

£ 173.20

EN ISO 20471:2013 class 3. The fluorescent fabric of the winter jacket combines with printed reflectors to provide class 3 visibility, the highest class specified in the standard. The jacket has a laminated shell made from breathable, water-resistant and windproof ripstop material, and warm, lightweight 80 g Thinsulate wadding. The detachable and adjustable hood is secured with press-studs. Velcro adjustment on the cuffs and hem. Cuffs are lined with warm ribbing. Front and chest pockets with zip on the outside and a breast pocket with zip and an open tablet pocket on the inside. Valtra logo print on the back and the chest. Detachable and adjustable suspenders ensure good fit both on the move and in a range of working positions. The elasticated suspenders also increase comfort.

Belt loops. You can use a belt to prevent the waist and crotch area from shifting when you move.

Front pockets

The warm and breathable Thinsulate material works well with the shell fabric in winter conditions.

Large cargo pockets with a Velcro flap

The kneepad pockets are placed on the inside for protection. You can protect your knees while working by slipping the separately available kneepads into the pockets.

The durable, water and dirt-repellant material is perfect for outdoor work in both the summer and winter.

Snow gaiters on the inside keep snow and dirt from reaching inside your shoes.

The loop at the back allows you to hang the trousers on a coat rack.

Raised at the rear to keep your lower back

Elasticated waist ensures comfort in a range of working positions and provides a good fit for various body types.

The trousers meet the requirements of the EN 342 standard for protection against cold in terms of the materials and design.

Printed Valtra logo.

Sturdy, stitched reflectors ensure visibility together with the Hi-Viz material.

Easy to put on due to the leg zips. The zip is protected against dirt by a flap. The storm flap is secured with Velcro.

The high-visibility clothing is made from high-quality materials that meet the requirements of the EN ISO 20471 standard for visibility with reflectors, fluorescent material, and design compliant with the standard. The clothes are also stylish and comfortable to wear. Ensure your safety by choosing high-visibility workwear by Valtra!

## KIDS' SLEEVELESS WINTER OVERAL

£ 80.10

The wide, sewn-on reflectors of these overalls ensure the visibility of your child in the dark. The knees and seat are reinforced with water-resistant and highly durable material. The raised waist protects the wearer against snow and cold air. Stretchy, adjustable suspenders with quick-release buckles. The elasticated waist improves the fit and ensures that the overalls are suitable for various body types. Snow gaiters inside the legs provide protection and keep snow and dirt from reaching inside the shoes. The legs also have zips and detachable and adjustable elasticated loops. Warm 80 g Thinsulate wadding. Durable, water and dirt-repellant material 70 % polyester, 30 % cotton, 245 g/m<sup>2</sup>.
